Gospel Text Mission is a faith missionary ministry of North Baptist Church of Brockton, MA to and through the local Bible-believing church. Our desire is to give away Gospel signs so that believing families can erect them as a part of their witness for Christ.

The signs are free to the local church. (We make it a practice to never ask for money nor make any financial requirement of any church.) When we come to minister in a local church, we come to give, not to get.

Gospel signs come in four sizes: 16" x 24", 2' x 3', 3' x 5' and 4' x 8'. They are made of aluminum and plastic. All signs are professionally painted. The larger signs are made of aluminum and have vinyl lettering. The smaller 16" x 24" aluminum and "coroplast" signs are screen-painted, as are the 2' x 3' aluminum signs. We use only Scripture on our signs in the King James Version.

Thousands of Gospel signs are given away annually. Signs are brought to local churches and given out at the end of the church service.

Those who use a Gospel sign as a witness place their sign on their own property in good view of those driving by. Gospel signs never need a furlough and, unlike people, never miss an opportunity. The Lord has seen fit to bring many to Himself through Scripture signs.

For a presentation of the ministry of Gospel Text Mission in your church, contact the main office or one of our representatives. All our representatives are preachers of the Word. They will come to preach or teach in your midst. Their contact information is listed in this brochure.

All gifts to Gospel Text Mission are tax deductible.
